

**UNITED STATES DISTRICT COURT  
FOR THE SOUTHERN DISTRICT OF TEXAS  
HOUSTON DIVISION**

JUSTIN PULLIAM,

*Plaintiff,*

v.

Civil Action No. 4:22-cv-4210

COUNTY OF FORT BEND, TEXAS; SHERIFF ERIC FAGAN, in his individual capacity; OFFICER ROBERT HARTFIELD, in his individual capacity; OFFICER JONATHAN GARCIA, in his individual capacity; OFFICER TAYLOR ROLLINS, in his individual capacity; and OFFICER RICKY RODRIGUEZ, in his individual capacity,

*Defendants.*

**PLAINTIFF'S UNOPPOSED MOTION TO STAY DEADLINES IN  
ANTICIPATION OF A MOTION TO RESET TRIAL DATE**

For the reasons stated below, Plaintiff respectfully asks that the Court stay the deadlines set forth in the Amended Docket Control Order (Dkt. No. 63) by thirty (30) days. The present trial setting (February/March 2024) is almost certain to create unworkable conflicts with two Supreme Court cases that Plaintiff's counsel are presently working on. Oral argument in those cases has not yet been set.

1. On February 16, 2023, Magistrate Judge Bray set trial in this case before Judge Hittner for the January/February 2024 setting. (Dkt. No. 36).
2. On October 5, 2023, Judge Hittner recused himself. (Dkt. No. 59). On October 6,

2023, this case was assigned to Judge Hanks. (Dkt. No. 60).

3. On November 1, 2023, the Court issued an “Amended Docket Control Order” setting a bench trial for February/March 2024, with associated pretrial deadlines. (Dkt. 63).
4. Meanwhile, as the parties were briefing summary judgment and this change of judges occurred, the Supreme Court granted review in two separate cases, affecting Plaintiff’s counsel’s ability to prepare for a February or March 2024 trial in this matter.
5. Plaintiff’s counsel, Christen Mason Hebert and Jeffrey Rowes, are both working on cases before the Supreme Court that are presently being briefed and will be argued in early 2024:
  - a. Christen Mason Hebert is working on *Devillier et al. v. Texas*, No. 22-913, for which briefing is expected to be completed on January 12, 2024.
  - b. Jeffrey Rowes is working on *Gonzalez v. Trevino, et al.*, No. 22-1025, for which briefing is expected to be completed on February 23, 2024.
6. Plaintiff’s counsel anticipates learning the exact dates for oral argument for both cases within one month.
7. Plaintiff respectfully requests that the Court stay the current pretrial deadlines set in the Amended Docket Control Order (Dkt. No. 63) for thirty (30) days. Plaintiff’s counsel proposes that the Court permit counsel to file a status update with this Court on or before December 11, 2023. Provided the Supreme Court has set both of Plaintiff’s counsel’s cases for oral argument, Plaintiff’s counsel will confer with

Defendants' counsel to propose revised pretrial deadlines and provide availability for trial.

8. Plaintiff's counsel has conferred with Plaintiff, and he does not object to staying present deadlines in anticipation of moving the trial setting.
9. Plaintiff's counsel has conferred with Defendants' counsel, and he does not oppose this motion.

Dated: November 13, 2023

Respectfully submitted,

/s/ Christen Mason Hebert
